

Videodisc Projects Directory Index

This index lists all projects included in the quarterly column, Videodisc Projects Directory, for 1983, beginning with Volume 3, Number 1, Winter 1983, through the present issue, Volume 3, Number 4, Fall 1983.

The projects are listed under three headings: title; producer/sponsor; and names of key personnel. It is our hope that this breakdown of entry points to each project will be a useful one for our readers.

An index of each year's entries will be published in the Fall issue of each volume.
